

## SNOW REMOVAL REMINDER FOR GRAFTON RESIDENTS

Please help provide a safe route for pedestrians this winter.

- ❖ Please clear sidewalks of snow and ice within 24 hrs. of snowfall. (Grafton City Code Section 12-2)
- ❖ Please blow or shovel snow towards your property rather than the street or alley, so as not to cause hazardous driving conditions. (Grafton City Code Section 22-9)
- ❖ If you will be away from your home for an extended period of time (e.g. [Snowbirds](#)), please make arrangements for snow removal.
- ❖ Sidewalks not maintained will be cleared by a contractor with costs billed to the property owner. (Grafton City Code Section 12-5)

Thank you for your cooperation,  
City of Grafton
